IN RE: Application of Greenville County Power, LLC for) ORDER GRANTING
a Certificate of Environmental Compatibility and) EXTENSION TO FILE
Public Convenience and Necessity to Construct) REBUTTAL
and Operate a Generating Plant for the Production) TESTIMONY
of Electric Power and Energy near Fork Shoals in)
Greenville County, SC.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Greenville County Power, LLC (Greenville County or the Company) for an extension of time in which to file its rebuttal testimony and exhibits. Greenville County was originally scheduled to file its rebuttal testimony and exhibits on or before December 10, 2001 as set forth in Commission Order No. 2001-1014 issued October 18, 2001.

Greenville County, through correspondence to the Commission dated December 10, 2001, requested that the Commission grant the Company an extension to file its rebuttal testimony to the direct testimony filed by the South Carolina Department of Health and Environmental Control (DHEC) in this matter. According to Greenville County, an additional amount of time is needed to complete its rebuttal testimony due to the Company not receiving DHEC's prefiled testimony until late Friday afternoon via facsimile, and a copy of the testimony by United States mail was not received until

Monday, December 10, 2001. Greenville County requests that an extension to file its rebuttal testimony be granted until December 12, 2001.

We grant the extension. Accordingly, Greenville County Power, LLC shall file its rebuttal testimony and/or exhibits to the DHEC testimony on or before **December 12, 2001**, and shall serve all parties of record as per the Commission rules.

This Order shall remain in full force and effect until further Order of the Commission.
